yes

Great! Here are all the files you need to create your ZIP deployment package and the PDF press release. Just copy each file's content into a text editor, save with the given file name, and then zip them together on your computer.

1. README.md

markdown

Copy code

Adrianalive Music AI App

Adrianalive is a blockchain-secured AI DJ application developed by Adriana Venter. It allows real-time stem matching, live DJ streaming, crypto-based rewards, and f

Deployment

1. Upload 'public/' to Firebase Hosting or any static host.
2. Deploy smart contract using the included Solidity file.
3. Upload ZIP to GitHub as proof of ownership.
